

## UNIONS HAVE DEFEATED THEMSELVES

It has been more or less an open fact that striking longshoremen in San Francisco have had no little sympathy from the general public in their demands from their employers. But union leaders and agitators made the great mistake of assuming this tolerance on the part of the public was FEAR of their organizations with the result that union leaders lost their heads and became intoxicated with power.

The moment the general strike was called—they were finished. When hard working people were unable to find food, shelter and necessities of life—all the tolerant sympathy was swept aside by a wave of indignation that reached dangerous proportions over night. Dispatches say that there is now no possibility of a general strike and that the longshoremen and their cause have received a decided setback.

## THE PHONE TOLL REMOVAL

It looks very much like the Monterey and Pacific Grove interests that have been moving heaven and earth to have the five cent phone toll removed are going to be defeated, for which every Carmel resident interested in Carmel's welfare should give three cheers.

There is not a point in the world why the telephone toll should be removed. It would be a convenience and a GREAT PROFIT for Hoffman's and some of the other stores over the hill at the expense of Carmel merchants and ACTUALLY PAID FOR by every telephone subscriber in Carmel.

## WILLIAM THEILE—A POLITICIAN, NOTHING MORE

William Theile, candidate for district attorney is our idea of a politician and nothing more. With a score or more of questions on which the voter would like to know exactly how he stands he addressed a meeting of Spanish War vets a short time ago on the comparatively "safe" subject of standing behind our great President Roosevelt. If Mr. Theile had any political brains at all, he should have exercised them a little in considering the Spanish War Vets' reactions toward President Roosevelt's cut in their pensions. President Roosevelt has repeatedly shown the Veterans he is bitterly against them. He has fought pension increases and fought FOR pension cuts. And Theile, in an assinine gesture for votes, makes a plea to the veterans to support him for county attorney because he is behind the president. They will—not.

## COMMUNISTS AND COMMUNISM

Three hundred communists in San Francisco have been arrested and their meeting places raided and demolished by mobs of infuriated citizens for their trouble making in the strike. It is most interesting to note that all of these arrested demand jury trials and full protection of the courts and the laws of the country they so freely damn and are attempting to wreck.

It is said that in Carmel recently a few mis-guided souls of little or no intelligence were discussing an anti-communist pamphlet with a poem something like the following:

"I've been thinking about Russia,  
I can't get it out of my head.  
I don't give a damn for Uncle Sam,  
I'm a left wing radical Red."

But let one of these so-called Reds get into trouble and their first call is that they be given the full protection of the laws of this Uncle Sam they don't give a damn about. Uncle Sam is after all only the people at large and when offenses become insufferable the law rests and is enforced by these people, sometimes a little ruthlessly as for instance the recent hanging of kidnapers in San Jose.

## IS THE NRA A HEAD TAX AND NOTHING MORE?

Printers have been assessed the second time in less than three months for the sum of \$5.95 for each employe in the business. It isn't so much different today from the times of the Caesars when they had a head tax. And just what is the printer getting for this extortion? The so-called price fixing schedule has so far never been generally put in operation. In some parts of this state the price schedules have never been issued and in San Francisco you can get as many different prices on a job of printing as there are printers. It would be interesting to know who is getting this huge sum of money—the income runs into the millions. Perhaps the hundreds being thrown out of work by the NRA closing down mills under various flimsy excuses may get on the NRA payroll. Gen. Johnson may, as Brisbane suggests, be "waiting for the cat to die" but the so called cat is going to have a long, and lingering death, with so many grafting, incompetent racketeers on the NRA payroll.

## CHEERS FOR ED. KUSTER

It is a source of no little gratification from at least one editor to note in Kuster's program wherein he acknowledges various favors received and lists the newspapers for publicity and other services. One of the very commonest slights from community enterprises of all kinds is that of forgetting to mention the newspapers when making acknowledgements of public services. Newspapers as a rule give lavishly of their space and spend a great deal of money boosting some public enterprise and to add insult to injury they are generally asked to print a list of the names of those helping the enterprises with their "valuable assistance" and never a suggestion of thanks for the editors, who probably did more to put some proposition over than any one else. More power to Mr. Kuster.

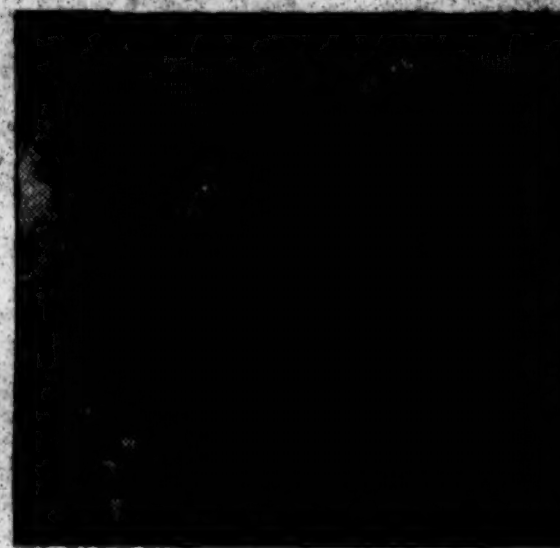

## SCHOOL PROPERTY AND THE PUBLIC

Carmel is in somewhat of an uproar over the fact that the use of Sunset School chairs was granted to the John Reed club for their meeting held last Sunday evening. In fact, feeling is running so high that many lose sight of the real issues of the case. Probably due to the fact that two factions are in disagreement as to how affairs of the school should be run and that E. H. Ewig and Mrs. Helen Levinson gave permission for use of the chairs while Mrs. Taylor refused here has colored the situation. Investigation into the matter has revealed that according to the school code the board has no right to withhold school property from tax payers, and that technically they had no right to decide that the John Reed club was unworthy. According to attendants at the lecture last Sunday evening, fully eighty per cent of the audience seated on school chairs were decidedly anti-communist.

Chairman of the Board Ewig stated to a reporter that he would bring the matter up at the next regular meeting of the board and that undoubtedly the board would act to get authority from Sacramento to refuse use of the chairs. Neither Mr. Ewig nor Mrs. Lev-

## "The Drunkard"

### Makes Hit In Carmel at Denny-Watrous Gallery

John Carter as Honest William and Peggy Converse as "Marry" the Drunkard's Wife

Playing a return engagement in the gallery where it started on the coast, Galt Bell brings this week to the Denny-Watrous gallery "The Drunkard," or "The Fallen Favored."

An idea of the "stupendous" production may be had from the synopsis; parts of which follow:

Act One—Scene 1. Interior of rural cottage; and however wild a youth may be about among his associates, no Gentleman ever insulted a friendless and unprotected woman.

The Barroom—"Drunk, fighting—my wife, my child. Oh, agony! Agony!"

The cottage; "Where is my dear, my love, my redeemed one?"

In the cast are Peggy Converse, Bill Nye, Rosamond Marble and Marjorie Haller, all well known to Carmel audiences, as well as other excellent actors. Rice and Cady, coast to coast vaudeville entertainers, entertain between acts and the audience joins in the schmitzel songs. But of course if you haven't seen "The Drunkard" yet you will see it Friday or Saturday night, and we advise you to get your tickets far, far in advance for reservations are coming in from as far as Gonzales and by Saturday night.

Congressman J. J. McGeath, candidate to succeed himself who was in Carmel the past week.

inson is a Communist, nor does the fact that the John Reed club used Sunset chairs mean that Sunset school is to be a hot-bed of Communism.

It is perhaps a good thing that this has come up at this time, since it will put all members of the school board on guard so that not even an appearance of Communist tendency may gain foothold in the school. The board is thus warned that the public will not for one minute stand for any teachings nor lectures being introduced along this line. No Communists must be allowed to lecture the students and any teacher with Communistic ideas must be dismissed. The public is becoming thoroughly awake and Americans are not of the stuff that will stand for Communism.

## BASEBALL SEASON

## OPENS IN CARMEL

The Carmel Juniors, a newly organized baseball team will test its possibilities in a game against a group of former classy ball players who are now content to classify themselves as has-beens. The game will be played at 2:30 p. m., Sunday, July 22, on the Hutton Fields mesa. There will be an admission charge of 15c to help defray expenses.

The Carmel Junior team is composed of young men and boys of high school age who have worked hard to organize a team and provide a playing field for the games being scheduled for July and August. Paul Flanders was kind enough to allow use of the grounds and the City Council came to the assistance of the boys and ploughed and harrowed the field.

The Carmel Junior team lineup will be somewhat as follows: John Sheridan, pitcher; Raleigh Belvail, catcher; Gordon Main, first base; Dean Nichols, second base; Allan Lane and Hoshito Miyamoto, third base; Harry Turner, shortstop; Galen Alderson, left field; Louis Holtshauer, center field; Ray Hamilton, catcher and right field; John Sheridan has been appointed manager and Rudolph Holtshauer assistant manager.

The following "has-beens" will furnish the opposition: Galen Alderson, Walter Tutthill, Ray Meeks, Gene Rickett, Frank Murray, R. Henry, Ernest Perkins, Bill Stanfield, Clay Otto. Others interested are asked to get in touch with Walter Tutthill at the Smoke Shop.

Baseball fans are urged to talk up the game so that a good crowd will be present.

## HAS NOVEL WAY OF

At the home of the late parents in Berkeley, the marriage of Mr. Fritz Wurzmann to Miss Marjorie Legge took place Monday evening at 8:30.

After a honeymoon trip to the north, the newlyweds will be at home in Carmel at Mrs. Wurzmann's studio on Dolores street.

The bride is a graduate of the Anna Head school in Berkeley and also attended U. C. and is an accomplished pianist, having studied for two years in Europe.

Mr. Wurzmann was born in Germany and is a graduate of the Stuttgart university, but has made his home here for the past seven years. Best wishes attend the young people.

Mrs. Harriet Miller of Hermosa Beach is in Carmel to spend the summer with her father, D. L. Stanford.

## "THE DRUNKARD" MAY BE SEEN SUNDAY

On account of the large advance sale of seats to "The Drunkard," now being played at the Denny-Watrous Gallery, it has been decided to give a Sunday night performance, the last of the run. If you want to attend this performance, you better telephone 62.

J. R. McNierny and wife of San Francisco are occupying the Kirk cottage on Camino Real for an indefinite period.

Miss Stella Gaichard, with her niece and nephew, Ellen Pearl McGrupp and Jimmy Gilson, left last week for a camping trip in the Big Basin.

## PENHA PIANO QUARTET

## CONCERT NEXT TUESDAY

Our own quartet—the Penha Piano Quartet—with Michel Penha, cellist, its director, Ralph Linsley, piano, Theodora Norman, violin, and Abraham Weiss, viola, plays its second concert next Tuesday evening, July 24, in the Sunset School Auditorium, for the Carmel Music Society.

The great delight and enthusiasm with which the subscribers heard the Quartet's first concert two weeks ago is reflected in the ticket sale for next Tuesday's concert. The program is as follows:

Schumann, Op. 47, Quartet for piano, violin, viola and cello.

Haydn, Divertimento for violin, viola and cello.

Brahms, Op. 26, Quartet for piano, violin, viola and cello.

Schumann's Quartet appeared in 1846. It is written in E. flat. It is remarkable for its geniality, romantic freshness and charm.

The Haydn is delightful, and the three strings alone help to give it its flavor of a far-off time.

The Brahms Quartet was written when Brahms was but twenty-six years old. Brilliant, dynamic and broad in its vigor, it is a tribute to the genius of the great master.

Tickets are now selling for the concert in the Gallery.

## TWO GIRLS INJURED

## IN AUTO ACCIDENT

Two little girls, Charlotte and Wendy Downey, received injuries in an automobile accident in Carmel about sundown Saturday evening, when the car in which they were riding with their mother, Mrs. Stephen W. Downey of

San Jose, was driven by Mrs. Cecilia, wife of Col. John Cecilia, U.S.A., Ret., at Seventh and Carmelo streets.

The two little girls were thrown through the windshield, receiving cuts and lacerations about the head and face. The salvage wagon of the fire department was summoned but the girls had already been rushed to the Monterey hospital by passers-by. They were treated for contusions and abrasions and severe wounds about the head and face. Mrs. Downey suffered from shock.

Stephen Downey, father of the children is a Sacramento attorney.

Atty. Tom Clough of the law firm of Sawyer and Clough of San Francisco, with his family, spent the past two weeks in Worcester cottage on scenic.

Miss Kathryn Kamin of Fresno, accompanied by her mother, is spending this week with Miss Josephine Culbertson.

Mr. and Mrs. Charles Vanhoit have returned to their home in San Francisco after spending a month here.

## SEVENTY-SIX ATTEND

## MEETING AND DINNER

Around a table beautifully decorated by Mrs. Pat Hodgins with flowers from her own garden, were seated 76 people at the dinner given at the Manzanita club Tuesday night by the Legionnaires and those interested in the forming of a post here. The table was U-shaped and was also adorned with two delicious roasted young pigs. The dinner was under direct supervision of Willard Whitney, Don Hale and Conrad Immanuel.

Jimmy Regan presided and short talks were made by Dr. James Finley, outgoing commander of the Monterey Post; Chet Curry, the incoming commander; O. W. Barderson and Past Commander Lee Godfrey.

A report on the district meeting held in San Jose Sunday was given by Al Clark of Soledad, who is the newly elected district commander.

Mr. Regan closed the meeting by a short address and invited all those present to sign applications for membership in the new Carmel Post. Forty-six responded which brings the number of applications to 46. One hundred and sixty-three men here are eligible.

Announcements were made that the next meeting to be held August 20 will be an organization meeting and will be check-full of business as follows: the adoption of a name for the post; the adoption of constitution and by-laws; election of officers; setting of nights for meeting.

Chairman Regan appointed the following committees:

Membership—chairman, Captain Hodgins, James H. Thoburn, Floyd Mangrum, Ben Franklin and Conrad Immanuel.

House—chairman, Willard

Legion Post and George Brown. Constitution and by-laws—Chairman, Lee Godfrey, E. H. Ewig, Major Landers and G. H. Burnett.

The leaders hope that all members will devote much thought between now and August 20 to the prospective officers.

Al Clark of Soledad stated that he had never in the history of his legion work seen such a splendid band of men as prospective members, nor had he ever encountered such enthusiasm.

The leaders are investigating the possibility of inviting the entire district comprising that area from King City as far north as San Jose, to Carmel for Armistice Day, Sunday, November 11. The posts would be asked to bring their drum corps and to handle the raising of the flag over the quarters of the new post, as well as to conduct public installation which will be held at the Forest Theatre, the weather permitting.

If things are worked out so that this can be done, it will bring at least 2,000 legionnaires to Carmel for that week-end. Investigations are being made to find out whether these plans conflict with those of any other post for that date.

##### AUDIENCE WITH SONGS

With Ralph Linsley, pianist supreme, at the piano, Miss Calista Rogers delighted her audience at her first recital Friday night of a series of three scheduled for the Denny-Watrous gallery.

Miss Rogers was engaged for these three programs at the insistence of those who heard her in Stabat Mater at Christmas time, and she did not disappoint her listeners.

Interpretation of her songs added a charm to the rendition of her songs in French, Spanish, Italian and German.

The songs of early days were sung with understanding and feeling and Miss Rogers carried her audience with her through each rendition.

On July 27 Miss Rogers will again delight with an evening of German songs when numbers from Schubert, Schumann, Wolf and Brahms will comprise her program.

#### MACHADO TO SPEND 30

##### DAYS IN COUNTY JAIL

Minus four teeth, William Machado of Dolores street has gone to jail in Salinas on a thirty-day sentence as a result of a free-for-all at the home Mrs. Edna Kendall Saturday night.

Evidence showed that when Mrs. Kendall refused more wine to Machado who had been drinking heavily, he began arguing with her and when her son, George, 15, entered the room, he struck the boy.

Mrs. Kendall then struck Machado and her son ran to another room and returned with a .22 rifle which he fired at the drink-crazed man knocking out four teeth. He then knocked Machado unconscious and ran for the police.

Machado was arrested and given medical treatment and the case came up for trial Monday morning at ten. He was found guilty of disturbing the peace.

## NATURAL GAS IDEAL HEAT FOR MODERN HOME

"Take time by the forelock" is  
an ancient maxim handed to us  
by the Greek sages of old. It was  
suggested by the prevailing cus-  
tom of painting and sculpturing  
Time as a figure with a perfect  
lock in front.  
The Romans also personified  
Occasion, or Opportunity, as a  
god or goddess standing on a ro-  
tating wheel, the feet fitted with  
winged sandals, the head hairy  
in front but bald behind. The  
hair veiled the face from the un-  
wary but offered a handhold to  
him who recognized the flying  
figure.

The message of opportunity so  
strikingly presented in ancient  
times is directed to the common  
affairs of life today. It applies  
not only to the business estab-  
lishment but, also, to the domes-  
tic household. It preaches the  
lesson of preparedness and bids  
the homemaker plan ahead in the  
interest of comfort and well-be-  
ing. So, while the summer season  
is upon us the suggestion is of-  
fered that now is the time to  
make ready the home against the  
cooler months that will follow all  
too soon.

A well-warmed house is es-  
sential to health as well as com-  
fort. There are many types of  
house-heating installations on  
the market, ranging from central  
furnaces to portable heaters, and  
no house is so constructed that  
out of these a suitable selection  
cannot be made.

Natural gas is the ideal fuel  
for house-heating appliances. It  
is efficient and it is economical,  
for, having twice the heating  
content of manufactured gas, it  
proves proportionately cheaper  
to use. The gas company has  
experts whose advice as to the  
proper appliance to install is at  
the service of the householder  
free of charge.

## CHRISTIAN SCIENCE CHURCHES

"As the Father hath life in  
himself; so hath he given to the  
Son to have life in himself." These  
words from John comprise the  
Golden Text to be used to-  
morrow in all Churches of Christ  
Scientist, branches of The Moth-  
er Church, The First Church of  
Christ, Scientist, in Boston, Mass.  
The subject of the Lesson-Ser-  
mon will be "Life." Included  
among the Scriptural selections  
will be: "So when this corrup-  
tible shall have put on incorrup-  
tion, and this mortal shall have  
put on immortality, then shall be  
brought to pass the saying that  
is written, Death is swallowed up  
in victory. O death, where is thy  
sting? O grave, where is thy vic-  
tory? (1 Cor. 15: 54-55).

The following passage from  
the Christian Science textbook,  
"Science and Health with Key to  
the Scriptures" by Mary Baker  
Eddy, will also be included:  
"When it is learned that disease  
cannot destroy life, and that  
mortals are not saved from sin  
or sickness by death, this under-  
standing will quicken into new-  
ness of life. It will master either  
a desire to die or a dread of  
the grave, and thus destroy the  
great fear that besets mortal  
existence" (p. 426.)

## Ten Million People, HELPED BUILD THIS TIRE.

## The NEW Firestone CENTURY PROGRESS TIRE

EQUAL OR SUPERIOR TO ANY  
Tire Quality Tire BUILT  
REGARDLESS OF NAME BRAND,  
BY WHOM MANUFACTURED AT  
WHAT PRICE OFFERED FOR SALE

## THE TIRE SENSATION OF '34 Sells on Sight!

TO SEE it is to buy it! That's the way extra  
value stands out in the new Firestone Century  
Progress Tire. We found out what car owners  
wanted most in a tire—then we gave it to them.  
Out of more than ten million visitors to the  
Firestone Factory at the World's Fair last year,  
we obtained this opinion: "Give us Blowout  
Protection, Non-Skid Safety, and Long Wear,  
at a Moderate Price."

That was a large order, and the price part  
of it was our biggest problem. We said to  
ourselves: "Surely, if millions of people could  
get the tire they wanted, they would BUY!" We  
could see volume production . . . resulting in  
unbelievably low prices—and savings for  
millions of car owners who wanted the safety,  
long wear, and dependability of a first quality  
tire, at a price that would permit them to replace  
not only one tire but all four tires.

So we built the greatest tire ever made to  
sell at these low prices. Then the wave of  
buying started—car owners from Coast to Coast  
bought—not just one or two tires—but  
complete sets!

Go to the Firestone Service Dealer or  
Service Store in your community TODAY! See  
the new Firestone Century Progress Tire—just  
look at the broad, husky shoulders, massive flat  
tread, deep-cut non-skid and Gum-Dipped  
cords. Did you ever see so much tire for so little  
money? No wonder it's the Tire Sensation of  
'34 and Sells on Sight! Why not equip your car  
with a complete set—while prices are still at  
today's low level. And remember, you get the  
new Firestone Triple Guarantee

### FIREMEN MEET AND ENJOY DINNER TALKS

About one hundred and twenty-five firemen from the Tri-County association met in Carmel Friday night for a chicken dinner at the Manzanita club and enjoyed interesting talks from members and visitors.

Senator Tickle told of legislation adopted pertaining to fire regulation. Mayor Gilmer of Pacific Grove gave a short talk; Chief McDill of the state fire marshal's office, talked on butane gas for fire trucks.

Leonard Abinante with his quartet from Monterey entertained with some sprightly music.

### JUNIOR C. OF C. IS FORMED IN MONTEREY

A Junior Chamber of Commerce for the men of the Peninsula was planned Tuesday night in Monterey when a group met at the San Carlos Hotel. Speakers were present from the San Jose Junior C. C. and explained the objects of the organization.

According to Louis Arnone, who is promoting the local club, the new body will work with the senior chamber, and will be active in promoting sports as well as in cooperating with other bodies on the peninsula for the common good.

The age limit for membership has been set at 35 years. The following will proceed at once to perfect plans for organization: L. J. Arnone, P. J. Crossen, Milus Gay, L. B. Ball, K. Y. Saperro, Alfred Thomas, L. J. Sasser, J. A. Norton, Joe Aguirre, J. F. Rodgers and Charles Brown.

### MANY CASES BROUGHT BEFORE POLICE COURT

Robert F. Nevin of Los Angeles was cited Saturday for overcrowding his car, after having been previously warned. When he was taken before Judge Wood it developed that he was using an expired driver's license. He was given a \$5 fine, which he paid and departed for his home.

R. O. Vaccaro of Monterey was cited Sunday for improper parking in a reserved space and his trial was set for today.

Charles Henry Finger of Burlingame was tagged Saturday for driving 35 miles an hour in a 25 mile zone. He also had no certificate of registration. His hearing was set for today and he was given a \$10 fine.

Accused of traveling 32 miles an hour in a 25 mile zone, Jerome D. Peters of Chico was cited Saturday for speeding and his case set for today (Thursday). Judge Wood fined him \$7.

Leonard Wellendorf of Los Angeles was cited the 15th for driving without due caution and with only one headlight. His hearing was set for today (Thursday) at which time he was fined \$2.50.

Reuben Tice, Monterey, charged with ignoring a stop sign at Monte Verde and Ocean and with having no certificate of registration, was arrested Saturday in Carmel. He appeared before Judge Wood Wednesday morning and received a sentence of a \$5 fine.

Louis E. Donaldson was cited the 16th for driving without due caution and his appearance set for the 20th.

Ben S. Frefethen of Oakland was cited the 16th for overcrowding his car. He will appear before Judge Wood tomorrow (Friday).

Agripino Ferrar was given a tag Tuesday for driving without due caution and his hearing set for Saturday.

Al Boyd who was arrested Saturday for improper parking in a reserved space, was given a lecture and allowed to go, since this was his first offense.

Porter Halsey was cited for speeding and will appear the 23rd. He is charged with traveling 48 miles an hour on San Antonio in a 25-mile zone.

### HIGHWAY ENGINEERS POSTPONE OPENING

It was announced today that the opening of the Carmel-San Simeon highway will be postponed until after February on account of the hazards due to slides and settlements during the winter rains.

Plans are going forward, however, for the celebration which will probably be bigger and better than planned due to more time for getting them up.

### COUNSELLOR-AT-LAW WAS FINE PRODUCTION

And if you were not one of those fortunate enough to see "Counsellor-at-Law" last weekend, you must not miss the opportunity this week, for you may see it either Friday or Saturday night.

In a tempo that kept the audience using their wits, the play took the enthusiastic crowd through the busy days in the office of the most prominent lawyer in New York City.

All were pleased with the extraordinarily short delays between scene shifts and with the fact that there was no lagging, the speeches, entrances and exits almost overlapping.

Kuster with his usual brilliant performance, portrayed the lawyer, George Simon. Barbara Collins, as the telephone operator, kept things on the move with her sprightly conversation. Georgia Waples, as the innocent murderess, gave a true characterization of the part; Mildred Baer, the gum chewing stenographer, was all that could be asked; Frank Heflin as McFadden, who exasperated the quick thinking Simon to the verge of tears, brought much applause; Dale Leidig, with a very small part, still made a lasting impression with his clever bits; Dorothy Ledyard as Mr. Simon's mother, was excellent; Fulton Tooker gave a fine performance as the good-for-nothing brother of the attorney; Charles Killian, the radicalist, who was a "good boy but always in trouble" gave a most realistic interpretation of his part. Others, all of whom were excellent and deserving of special mention were Markham Johnston, Sonia Gunderson, Ralph James, Nancy Van de Griendt, Ross Klester, William Lingley, Barbara Allen Gaskin, Diabrow Johnson, Jane Hewlett, Carl Brennfleck, Frank Work, Betty Meyers, Patay Hamm, Elton Connors, David Davida, Lee Van Atta, Mary Kellogg and Dewey Clough.

Truly, you must not miss the opportunity to see this play which is characteristic of the fine plays usually put on in this city.

### COUNCIL HELD SPECIAL MEETING WED. NIGHT

At a special meeting Wednesday night, the city council voted to donate \$100 toward the Serra Festival fund, after being asked by the committee for a donation of \$250.

The question of changing the amount of the deposit for new business from \$100 to \$25 was brought up, a motion was made for the second reading of an amendment to change it, was seconded and defeated by a vote of four to one.

At the meeting the city agreed to sell the sewer maintenance equipment to the sanitary district and the district agreed to rent the trucks from the city to use in sewer repair.

### SERRA COMMITTEE BUSY PREPARING FOR FIESTA

Members of the Serra Festival committee are giving of every minute of their time they can spare these days to make plans for the coming pageant to be given here next month in celebration of the one hundred fiftieth anniversary of the death of Father Junipero Serra.

The drive for funds has begun and according to D. L. Stanford, the interest of the outlying section in the coming event is remarkable. "We are working on a plan to tie in with the whole peninsula," Mr. Stanford said. "This celebration is not for Carmel alone but will affect the entire district. We figure that all available reservations will be taken even as far north as Watsonville, as they were when Bobby Jones was here."

Mr. Stanford also stated that he thought the festival would be an excellent thing, because the present generation is too prone to forget what our forefathers have done for us.

Should the pageant be a success this year, as it undoubtedly will, the celebration will be made an annual affair.

Carmel is particularly fortunate this year in that George Marion, probably one of the best known producers in the United States, has given of his time and talent in preparing the pageant, which is conceded to be one of the finest things that has ever been written around the life of Father Serra.

### WILL ROGER'S SON TO SPEAK NEXT SUNDAY

Recently the editor of the New Republic came home and said that everybody he met in Europe spoke not of "If the Next War" but "When the Next War." This question becomes ever more serious in America also. And with it the question of armaments and of training young college men in the R. O. T. C. Nearly every State College has had serious trouble over the question whether the ROTC should be compulsory or not.

Next Sunday, Bill Rogers, Stanford undergraduate, who is at the Monterey Presidio now taking his ROTC training, will discuss this question and the question of armaments also. Young Rogers, son of the world known humorist and daily commentator on political events, is one of the crack Stanford speakers, being on his College debating team.

The meeting will be held at the Green Room of the Carmel Community Hall, 8th and Casanova, at 8 p. m., on July 22nd. Admission 25 cents. The chair will be taken by Dick Criley of Carmel Highlands, former Stanford student.

Mrs. Roy March and family of Berkeley are occupying the McGee cottage on Monte Verde and will remain here indefinitely.

Helen Pos Bert and party of San Francisco are in the Wilson guest house for a week.

Carlyle Ehninger of Salt Lake City is spending the summer here at the home of his uncle, A. C. Grimshaw and is assisting at the Associated Gas station during his stay.
